

Niche

Wall Niche with Solid Look

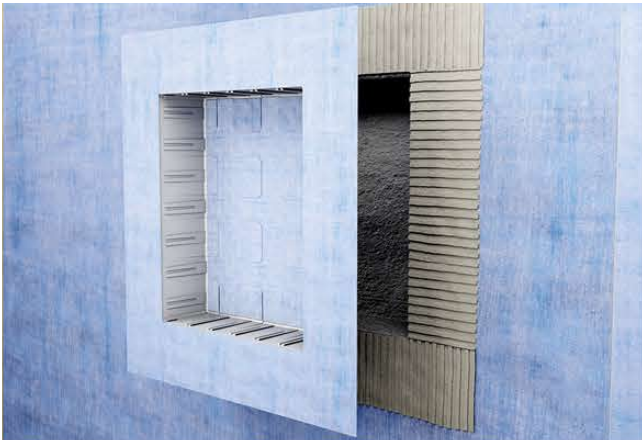

All-metal. No tile required. Just a stunning, finished look straight out of the box.
The Gruen Solid Niche brings a refined, seamless aesthetic to any shower wall — available in Brushed Stainless, Brushed Gold, and Brushed Anthracite to complement any design palette.

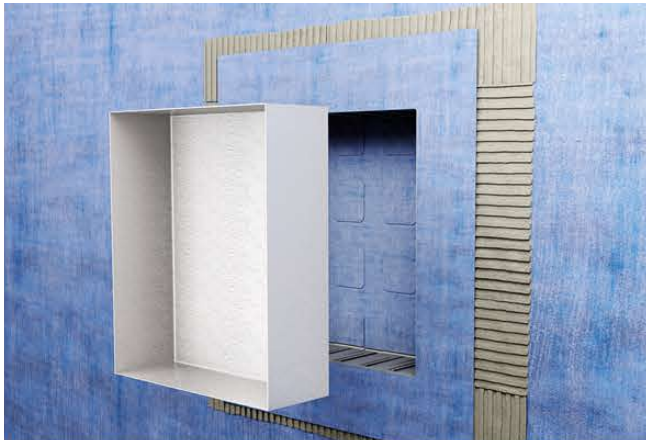

Available Finishes

Brushed Stainless	Brushed Gold Stainless	Brushed Anthracite Stainless

Ready for Installation Immediately

The Gruen wall niche sets directly into pre-wall or drywall quickly and securely, factory-connected to the waterproofing system via an integrated sealing sleeve.

Closed Stainless Steel Body

Precisely joined edges on all four sides fit cleanly into the sealed housing and adjust to any tile thickness — for a flush, professional finish every time.

Factory-Fitted Waterproof Membrane

Every niche ships with a factory-integrated waterproof membrane, ensuring full compatibility with the GRUEN waterproofing system right out of the box.

Perfect Results, Every Time

Transform any bathroom with a niche that looks as good as the space around it — seamless, elegant, and built to last.
